

PARENTS CODE OF CONDUCT

As a parent/carer/supporter of Dubai Hurricanes Netball I will ensure that I will adhere to the following guidelines:

I will:

- Ensure that my child's Team Manager is informed promptly of any incidents, events, injuries or illnesses that may impact on my child's availability to train or compete.
- Encourage my child to be respectful to coaches, officials and other players.
- Encourage my child to play to the rules, respect coaches and officials decisions and not to argue.
- Familiarise myself with the rules of netball in order for me to fully understand the game, to support good play and accept coach's and official's decisions.
- Applaud good play from all participants, including the opposition.
- Encourage my child not to laugh or applaud any mistakes made by any player or official on court.
- Ensure that my child arrives to training and/or fixtures wearing appropriate training kit, supportive trainers, nails cut short, hair securely tied back and wearing no jewellery (tape over earrings is not permitted).
- Teach and promote to my child that an honest effort is just as good as a victory.
- Encourage good sportsmanship, effort and respect no matter the result.
- Be respectful to the coaches, officials and volunteers who run the club as I understand they undertake tasks that are in the best interest of the club and players.
- Thank the coaches, officials and other volunteers who give their time for my child and not interfere with their decisions.
- Ensure my child remains with their designated coach/squad/team manager throughout training and fixtures. If for whatever reason my child approaches me during any of these times, I will send them back to their coach/squad/team manager.
- Acknowledge that discussing any concerns with other players, parents, carers or supporters is not of the benefit of my child's development as a netball team player. I will ensure that I follow the correct DHN protocol to share any concerns I have.
- Ensure that my child is not a member (training or playing) of any other netball club or netball team (not including school).
- Ensure that my child fully understands the Players Code of Conduct.
- Promote this Code of Conduct to other parents, carers and supporters.
- Understand commitment also comes from me as a parent.
- Be transparent with Dubai Hurricanes regarding seeking other clubs.

PARENTS CODE OF CONDUCT

As a parent/carer/supporter of Dubai Hurricanes Netball, I will ensure that I will adhere to the following guidelines:

I will not:

- Force an unwilling child to participate in netball.
- Question or comment on a coach's decision, especially during a game or when a coach is actively coaching. A coach will make decisions based on effort, attendance, ability and development.
- Ridicule or criticise any child for making a mistake or losing a game.
- Discuss any coaches decisions, game play, individual performances with my child in a negative way. If my child is unhappy with anything regarding training, matches, performances, I will make sure to ask them to speak to their coaches.
- Question an umpire's decision. Please remember that he/she is only human. They are giving up their own time to allow children to participate in league matches and tournaments. They also have feelings and can make mistakes.
- Shout direction to any child on court.
- Enter onto the playing court unless permitted to do so by a coach, manager or medic.
- Be in any other area other than the designated area for spectating at training (bleachers/viewing gallery) and fixtures (outside the fence/benches/bleachers) away from the team and their coach.
- Criticise squad members, opponents or officials.
- Use inappropriate language.
- Use social media to bring Dubai Hurricanes Netball or the game into disrepute or make an inappropriate comment about any player, coach, other parent, official or volunteer.
- Smoke at the side of any playing court area or arrive at netball under the influence of alcohol or drugs.
